

YMCA of Cumberland: Specialty Camps 2022

July 4-8: Nuts about Nature

Love being outside? Then this camp is for you. We will spend the week exploring everything nature has to offer. We will learn about different insects, birds, flowers, etc. on our nature walks and bring the outside in.

July 11-15: Mush It, Mix It, Make It

Interested in making a mess? Enjoy getting your hands dirty? Sounds like a great time, right?! Then join us in pursuing several different experiments and recipes of fun with ooey gooey mess making and exploration of icky sticky grossness. Dress for mess will be your best success!

July 18-22: Kreative Korner

Recycling isn't just putting your tin cans and bottles to the curbside for pick up. This week is all about DIY mini projects where things will come to life with your imagination! We will be engaging in some crafts, using all kinds of material to make wonderful creations, and perform attractive craftsmanship.

July 25-29: Games Galore

Do you like a good competition? Can you be a team player? Then join us for a week of friendly competition, from inside to outside, from left to right, from up to down, we will be playing games all around. Prepare yourself for some grand adventure fun using your knowledge, strength, speed, hand-eye coordination, and talents to score points for your team! This camp requires sneakers as daily footwear to ensure the completion of physical activities/competitions can be done safely.

Fitness breaks are a part of all our specialty camps to ensure that participants are staying active!

Lunch is not included with specialty camps (snacks are included).
