

YMCA of Cumberland: Specialty Day Camps 2022

August 2-5 (4 day week): Mmm Mmm Good

Who doesn't love to eat?! This camp will bring some math and science skills to life through cooking as we measure, cut, level, pour, stir, mix, and create some scrumptious treats and sacks. No need to remember it all, because at the end of the week you can take home a book of recipes we make to share with your family!

August 8-12: Wet 'n Wild

Ready to get wet? Grab your bathing suit and towel and join us for a week of water fun. Come help create a giant slip 'n slide, participate in various water games, and create beautiful works of sand and water art.

August 15-19: Under the Big Top

Ready for some, Old Fashioned Carnival fun?! This week we will be constructing games to host a Carnival of our own. There will be various team building and independent jobs to work together to bring this wonderful experience to life.

August 22-26: Imaginative Minds

Bring along your imagination, colorful thoughts, and creativity as we slide on into a week of art! Designing all kinds of beautiful masterpieces and utilizing many different forms of art supplies we will create an expressive view of artwork for you to display at home or gift to a special someone.

Fitness breaks are apart of all of our specialty camps to ensure that participants are staying active!

Lunch is not included with specialty camps (snacks are included).
